

RC-3000-NB

Breather fabric

Ideally suited to high temperature applications

Features

- Nylon 66, non-woven felt which operates at temperatures up to 232°C (450°F) without trapping off air flow.
- Available in 225, 339 and 369g/m² (6, 10 and 13oz/yd²) for withstanding pressure to over 200psi (13.8bar).
- Non-toxic, non-corrosive, non-dusting and non-allergenic.
- Resists compression and heat set as experienced by other lower temperature resistant fibres.

Properties

| Maximum use temperature | 232°C | | 450°F |
|-------------------------|--------------|---------------------|----------------------|
| Colour | White | | |
| Fibre | Nylon | | |
| Weight | RC-3000-6NB | 225g/m ² | 6oz/yd ² |
| | RC-3000-10NB | 339g/m ² | 10oz/yd ² |
| | RC-3000-13NB | 369g/m ² | 13oz/yd ² |

NB: RC-3000-NB has no release characteristics and should be separated from the laminate by a suitable porous release fabric or film when used in conjunction with uncured materials.

Availability

| Standard width | Up to 1.52m | | Up to 60in |
|------------------------|-------------------------------------|-------|------------|
| Standard length | RC-3000-6NB | 45.7m | 50yd |
| | RC-3000-10NB/13NB | 91.4m | 100yd |
| Cut shapes/slit widths | Available up to 120in wide to order | | |

Storage

No special storage conditions required.

Health & safety

No skin irritation problems experienced.

Handling of these products must conform to individual company guidelines and health and safety regulations.

All statements, technical information and recommendations contained in this data sheet are given in good faith and are based on tests believed to be reliable, but their accuracy and completeness are not guaranteed. They do not constitute an offer to any person and shall not be deemed to form the basis of any subsequent contract. All products are sold subject to the Cytec's Standard Terms and conditions of Sale. Accordingly, the user shall determine the suitability of the products for their intended use prior to purchase and shall assume all risk and liability in connection therewith. It is the responsibility of those wishing to sell items made from or embodying the products to inform the user of the properties of the products and the purposes for which they may be suitable, together with all precautionary measures required in handling those products.
