

3M™ Cubitron™ II Cloth Disc 726A

# Enduring Performance

These discs are ideal for a wide range of stock-removal applications and excel in heavy-duty sanding. The cloth backing enhances durability and edge retention.

**Lightweight cloth backing:**

J-weight cloth backing provides extra durability and flexibility. A great choice when working with more demanding applications, providing wear resistance.

**Covers a wide range of applications:**

Versatile disc handles applications from stock removal and deflashing to general sanding.

**Open coat construction:**

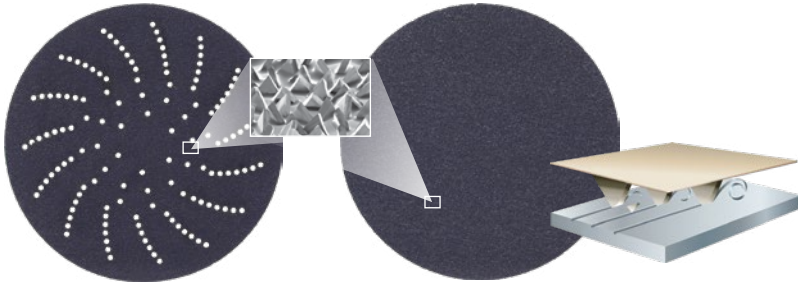

Open coat construction and load-resistant coating prevent clogging to optimize cut throughout the life of the disc.

# 726A Cloth Discs

## Enduring Performance

3M™ Cubitron™ II Cloth Disc 726A features ceramic 3M Precision-Shaped Grain, a revolutionary advancement in abrasive technology. The triangular shaped ceramic mineral is designed to slice through the substrate, rather than gouging or “plowing” like conventional abrasives. The J-weight cloth backing balances durability with flexibility for a wide range of substrates.

## Product Ordering Information

**3M Xtract™:** Features a 3M proprietary multi-hole pattern for improved dust extraction in finishing applications.

Sanding discs cut better and last longer when dust isn't loading the cutting surface of the abrasive.

**Hookit™:** Utilizes a hook-and-loop design, allowing for easy attachment and removal of discs. Ideal for frequent abrasive changes, providing convenience and reducing downtime.

**Stikit™:** Features a pressure-sensitive adhesive backing that sticks directly to the backup pad. Offers a secure attachment and typically used where abrasives are changed less frequently.

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.

**3M Abrasive Products are for industrial use only.**
