Description

This product is a powerful combination of natural terpene derivatives and highly active cleaning agents, combined for the first time into a water dilutable product with extremely high dilution ratios to produce the highest cleaning efficiency at the most economical cost with the least amount of labor.

It safely cleans virtually any grease and soil, no matter how tough, from any surface not harmed by water, (use according to dilution information below). It may be sprayed, wiped or mopped on.

Benefits

- Biodegradable
- Pleasant aroma
- Dilute up to 1: 100
- Super concentrated
- Extremely aggressive
- Easily removes disc brake dust from wheels and wheel covers

Applications

Dilution will vary depending on surface to be cleaned and amount of contamination. In normal use, spray, mop or wipe on surface in recommended dilutions, allow 2-3 minutes dwell time. Scrub as necessary and rinse or wipe off. For general cleaning, dilute 1 up to 100 parts water.

Recommended Dilution Rates

Heavy Duty Degreasing	1:20
Coil Cleaner	1:15
Food Handling Areas	1:80
Cutting Tables, Shackles	1:60
Institutional Ovens & Utensils	1:20
Floors & Furniture	1:80
Wheel Cleaning	1:10
Pressure Washing	1:80
Engine Cleaning	1:20
Light Duty Degreasing	1:40
Loading Docks, Garbage Receptacles	1:20

Key Physical Characteristics

<u>Property</u>	<u>Typical Value</u>
Appearance	Clear
Color	Water White
Evaporation rate (Water = 1)	1
Flash point (C.O.C.)	None
Odor	Slight Citrus
pH (Concentrate)	12.0
Physical Form	Liquid
Specific Gravity	1.045
Water Solubility	Complete
VOC Content:	104 grams/liter

Safety and Handling Precautions

May be harmful if swallowed. Induce vomiting. Get medical attention. Direct contact will cause eye irritation. If in eyes, flush immediately with plenty of water for at least 15 minutes. If irritation persists, get medical attention. If on skin, flush with plenty of water.

Avoid temperatures below freezing. Do not use concentrate near sparks or open flames. Keep container closed when not in use.

Packaging

<u>Product Name</u>	<u>Part No.</u>	<u>Packaging</u>
Bulldog	1037-55	55 Gal Drum
Bulldog	1037-5	5 Gal Pail
Bulldog	1037-1	4 x 1 Gal Case
